Wedu (Thailand) Foundation

Annual financial statements and Audit report of Certified Public Accountant

For the year ended 31 December 2022

Report of Independent Auditor

To the Board of Committee of Wedu (Thailand) Foundation

Bangkok 10500, Thailand www.auditthai.com

Opinion

www.auditthai.com

We have audited the financial statements of **Wedu (Thailand) Foundation** which comprise the statement of financial position as at **31 December 2022** and the statement of receipts and disbursements for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at **31 December 2022** and the statement of receipts and disbursements for the year then ended in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities.

Basis for Opinion

I conducted my audit in accordance with Thai Standards on Auditing. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Foundation in accordance with the Code of Ethics for Professional Accountants including Independence Standards issued by the Federation of Accounting Professions (Code of Ethics for Professional Accountants) that are relevant to my audit of the financial statements, and I have fulfilled my other ethical responsibilities in accordance with the Code of Ethics for Professional Accountants. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Thai Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related events or conditions that may cast significant on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner responsible for the audit resulting in this independent auditor's report is:

(Nathee Hongratana-uthai)

Certified Public Accountant

Foundation Chairperson

1 General information

Status : Wedu (Thailand) Foundation (NGOs)

Address : 315 Settakij 17, Bangkaenua, Bangkae, Bangkok, Thailand Objectives : 1 To assist students in accessing financial support for educations

- 2 To provide non-financial support in order to provide working opportunities and support the personal development of youth including raising awareness about the importance of supporting youth, especially female. Therefore, such support shall include consultation, mentorship, general support including supporting such persons to access to or connect with social work, etc;
- 3 To carry out activities for public benefit or to cooperate with other charitable organizations for public benefit; and
- 4 Not to carry out political related activities.

2 Basis of preparation of the financial statements

This financial statements are prepared in accordance with accounting standards under the Act BE 2547 and have been made financial statement presentation to comply with the requirements of the Department of Business Development dated issue September 28, 2011 regarding the condensed form should be included in the financial statements B.E. 2554 that issued under the Accounting Act BE 2543.

The financial statements are in conformity with Thai Financial Reporting Standard for Non-publicly Accountable Entities (TFRS for NPAEs) promulgated by the Federation of Accounting Professions (FAP) during 2011. The adoption of these TFRS for NPAEs has resulted in changes in the Foundation's accounting policies. The effects of those changes that have not a significant impact on the Foundation's financial statements.

The preparation of financial statements in conformity with TFRS for NPAEs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, receipts and disbursements. Actual results may differ from estimates.

3 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

3.1 Revenues

Revenues are recognized as actually received amount in the period except interest income which is recognized on the accrual basis.

Foundation Chairperson

3.2 Expenses

Expenses are recognized as actually paid amount and authorized by the board of directors of the Foundation in the period except administrative expenses which are recognized on the accrual basis.

3.3 Foreign currencies

Transactions in foreign currencies are translated to Thai Baht at the foreign exchange rates ruling at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into Baht at the exchange rate ruling at the balance sheet date. Foreign exchange differences arising on translation are recognised in the statement of revenues and expenses.
